Professional pan-wrestler wanted. A.K.A Kitchen porter...

We're looking for someone brave enough to stand between civilisation and a mountain of dirty pans.
30-40 hours per week

Your mission (should you choose to accept it) is to calm the dishwasher during peak emotional distress, rescue cutlery from the abyss, and prevent chefs from ever saying, "We've run out of plates."

No experience needed — just speed, stamina and a solid sense of humour.
In return, you'll become the most powerful person in the kitchen, join a proper team, and develop forearms of legend.
